

We're **HIRING!**

Land Surveyor Senior or Land Surveyor in Training (LSIT)

Please Note: This vacancy is being posted at two different job levels at the same time; Land Surveyor Senior and Land Surveyor in Training. Only one vacancy will be filled.

The position exists to provide additional technical expertise to the Platting Unit and to review MnDOT Right of Way Plats and other Land Title graphic documents in accordance with MnDOT Policies and Standards (MnDOT Platting Manual) within the Agency. Responsibilities include:

- Serving as an adviser and technical expert to the districts and the consultants in the preparation of MnDOT Right of Way Acquisition Plats.
- Providing accurate, precise decisions that support the Department's Program Delivery schedule.
- Training staff statewide in the preparation of MnDOT Right of Way Plats and other graphic products.

Minimum Qualifications:

Land Surveyor Senior

- Applicants must be licensed as a professional Land Surveyor with the Minnesota Board of Architecture, Engineering, Land Surveying, Landscape Architecture, Geoscience and interior Design or be able to obtain licensure through reciprocity.

Land Surveyor in Training

- A Bachelor's or Master's degree in land surveying or a related field
- Two years of post-graduate level land surveyor experience
- Completion of the Fundamentals of Surveying exam

Both levels require

- Demonstrated knowledge of the Public Land Surveyor System
- Knowledge of the Minnesota laws, regulations and standard surveying practices as they apply to MnDOT R/W Platting
- Valid Class D Driver's License
