General Description of the Project or Activity

On a separate sheet(s), describe the project or activity for which grant funding is requested. Points that must be addressed include:

1. Goals for the activity
2. Time frame for completion of the activity or project
3. An estimate of the number of students and/or participants and their expected level of involvement
4. For Mentoring or LSIT activities list the SDSPLS members involved
5. Provide a summary of the costs for the activity, detailing the total estimated costs and total funds requested from SDSPLS.
6. Sources and amounts of other funding must also be provided.
7. Identify the name of the individual or entity to receive the funding (payable to:)

Please limit your description to three typewritten pages.

Signature

Date

My signature certifies that I am the contact for the specified group and that the information within this application is true to the best of my knowledge. I certify that I am responsible for the grant funds and all that implies if they are awarded to my project or activity.

SDSPLS will award grants based on their perceived value in supporting surveying education for groups or individuals. Division of funds and amounts of individual awards will be at the discretion of the SDSPLS Board of Directors as determined by merit of the activity, amount of funds available, and amounts requested. The grant recipients will be asked to provide a poster/display or brief presentation for the completed activity at the next SDSPLS annual convention and/or provide an article and photographs for the newsletter.

Return your completed application to SDSPLS by Saturday, September 1, 2012
